This flier was owned by Jenell Womack who was a senior at Capitan Union High School in Lincoln County, New Mexico. This HS annual along with two other documents were discovered in 2016 in an old barn far removed from Capitan. The other documents were the *Commencement flier from 1942*, and a *Friendship Diary* (autograph book) dated 1937 to 1940.

Mrs. Louise Lewis Hurd was our very efficient and understanding sponsor. On October the fifteenth we presented a one-act play. "The Village Photographer" and a box, pie, and candy supper to help in the raising of funds to help in the publishing of the books. Some of the members made two trips to Roswell to sell advertisements, and in all we have been able to raise enough to have the pictures printed this year. We are very proud of this and hope that everyone else enjoys this improvement as much as we do.

**Image14:** Senior Class History. In September, 1838, forty Freshmen entered Capitan Union High School. Of course, we were all bashful and timid as all Freshmen are. We elected Miss Erickson and Mr. Barber as our sponsors. We went through Freshmen initiation as good little children, and had fun being poodle dogs for the upper classmen.

Then as Sophomores, there were thirty-seven. During this year we elected Mr. Barber and Miss Montgomery as our sponsors.

Ah ! Juniors ! A class of twenty-nine. Again Mr. Barber and Miss Montgomery were our sponsors. We presented An All American Family as our class play. The following made up the cast. Mary Lou Luck, Genevieve Hightower, Hubert Burkes, Bob Harcrow, Grover Hightower, Violet Triplett, Charlotte Rose, Betty McClellan, Fred Sweet, and Livorio Silva, sponsored by Miss Montgomery. Unfortunately, on the night of dress rehearsal a little accident occurred.

However, no one was seriously injured and we successfully presented the play. We gave the Seniors of 1941 a banquet and prom, in Spanish-American style.

Now, in our last year at Capitan High School, there are twenty-two graduates. Again we have Mr. Barber as our sponsor. We wish to thank Mr. Barber for his cooperation in the past four years, and we are proud to have kept him for our four years spent in Capitan High. This year Miss Chilson is our assistant sponsor, and we wish to give her credit for the wonderful work in producing the Senior play, The High School Mystery. The cast was as follows: Violet Triplett, Mary Elizabeth Hall, Lawrence Hefner, Lawrence Peebles, Bob Harcrow, Livorio Silva, Junior Perry and John Hale. The play, the greatest mystery that has ever been produced, was given on April 24.

On the night of May 26 we will bid farewell to the school we have loved and the memories of our "Capitan High School Days" will linger on forever.

**Image20:** Juniors. When we were just "green freshmen," we were having quite a time trying to find our way around, of course. There was fun "poked" at us. Whether we got pretty unhappy or not, no one will ever know. Freshmen initiation is something we won't forget for quite some time. On the morning of October 9<sup>th</sup>, we painted the "C" up on Wilson Hill. We returned around eleven o'clock to present a very funny spectacle at assembly. At one o'clock we all returned to the high school to go down town and parade. We then returned to parade at the football game against Hondo.

Therese Reynolds was elected Carnival Queen of 1939. We were very proud of her, you can be sure, but it seems that we lost interest or didn't have a candidate who could hold her own through the last two years.

We selected purple and gold for our class colors. We also selected a class motto.

After struggling for a year, we finally became Sophomores, much to our surprise. This year passed with the usual happenings while we took the back seat.

Well, finally here we are Juniors. We still have a funny class, but it is a smart one and most of the pupils are well liked. The Junior play was given December 6<sup>th</sup>. The name of the play "Who Said Quit." The cast included: Tommy Burlison, Mary Frances Williams, Jerry Cummins, Zane Leslie, Jo Nell Blood, Reta Merle West, Cecilia Zamora, Ergeal Brown, Leon Farrar, and Vernon Steagall. The Junior-Senior Banquet was given May 8. We hope that everyone enjoyed the event as the Juniors. Mr. Burke was elected as our class sponsor.

Coopie Dockray	Reporter
Bobby Sears	Student Council
Dorothy Shaw	Student Council

**Image26:** Freshmen (Class history):

In September, 1941, forty-eight freshmen entered the portals of Capitan High School to struggle with a little higher education. Capitan High School, the greatest contributor, sent us nineteen: Lincoln did their part with eight; Ft. Stanton managed six; Stetson sent us five; Roswell, three; Encinosa, two; and Tularosa, Oscuro, Ruidoso, Hondo and Carrizozo one each. They didn't feel as if they really belonged here until after September 20 when they were initiated by the usual procedure of white washing the "C" on Wilson Hill, and performing in assembly.

Sometime during the course of the year seven freshmen left to continue their careers elsewhere, and now there is a total membership of 41 in the class.

Miss Wilkenson, Freshmen class sponsor, helped acquaint the class with their new surroundings, and assisted them throughout the year with their class activities.

The class officers are as follows"

Maggie Silva	President
Mona Jean Sweet	Vice-President
Lucille Gehring	Secretary-Treasurer
Antonio Otero	Reporter
Joe Beltran	Student Council
Joy Shook	Student Council

The Freshmen gave one assembly this year consisting of two short one-act plays, in which they demonstrated their ability to entertain.,

The Freshmen class of 1941-42 shows signs of a very promising graduation class of 1946.

The football schedule for the fall of 1941:

Sept. 19	Hagerman	here	29	0
Sept. 27	N.M.M.I	here	0	34
Oct. 4	Tularosa	there	6	13
Oct. 10	Ft. Sumner	there	0	6
Oct. 18	Albuquerque	there	6	12
Oct. 31	Corona	here	31	13
Nov. 17	Alamogordo	here	6	0
Nov. 14*	Socorro	there	0	0

Nov. 20 Carrizozo there 18 7

\*Probably Nov. 24.

The season started with a bang, and about 40 boys (went) out, with the Hagerman with the Hagerman game which was an unlucky game for them. As the Tigers met the Colts they were kicked in the face. As they met Tularosa after all the floods the boys had had little practice and get stopped. At Fort Sumner they were met by young elephants. At Albuquerque the boys had to see the town that nighty and were pooped out when it came to playing ball. The Tigers were so sure they were going to get beat and came out with a big score. When the Tigers met Alamogordo they got a few breaks and out-plunged them. When they met Socorro they were all tired from the long ride up there and the Socorro boys held them to a nothing to nothing game.

When they had their "feud" game, they were too sure and got balled up and finally lined out to leaving home the Bacon for the last game of the year.

**Image33:** Basketball:

The Basketball schedule for the year 1941-42 was as follows.

Capitan 15	Hondo 40
Capitan 20	Carrizozo 27
Capitan 34	Corona 31
Capitan 22	Carrizozo 13
Capitan 60	Cloudcroft 8
Capitan 41	Tatum 36
Capitan 23	Roswell 43
Capitan 24	Tularosa 26
Capitan 32	Hagerman 21
Capitan 17	Hondo 21
Capitan 33	Lake Arthur 31
Capitan 43	Artesia 24
Capitan 33	I. Colts 27
Capitan 23	Alamogordo 12

The Tigers did fairly well this year in Basketball. They won 11 games and lost 14. Their coach, Mr. Burke, and the assistant coach, Mr. Jackson, did a good job in coaching the boys and urging them to do their best.

The Tigers did not get far in the tournament as Carlsbad put them out by one point in their second game.

**Image39:** Orchestra:

This being the first year that the orchestra has had a full time instructor it made very much progress. It now has 38 enthusiastic members.

Band:

The band was organized this year under the individual instruction of Charles Teghtmeyer. During the year we have added instruments valueing \$1,000. The Band played many times during the year, including: assemblies, basketball games, and pep ralleys. The band gave a concert in mid April as a climax to the year's activities. They presented instrumental solos, small l groups, and the faculty quartette assisted the band by singing.

The Band also worked on elementary marching. Along with the band we have four baton twirlers.

The Band had 29 members at the close of the school year.

Girl's Glee Club:

The High School Girls' Glee Club, under the direction of Mrs. Louise Hurd, has during the year, presented one major performance, an Operetta, Bits O' Blarney. The Glee Club, in producing the operetta, was assisted by Mr. Williams, Mr. Teghtmeyer, Mr. Knudsen, and a group of boys from the high school. Mary Elizabeth Hall, Tommy Burleson, Fern Shaw, Seldon Burkes and Lawrence Hefner had the leading parts, and the operetta was proclaimed a success.

Most of our practice, which is one hour three days a week, is taken, up with the study and rendition of good choral music for the purpose of enlarging our repertoire and for our own

enjoyment. Our last two public performances were at the Baccalaureate and Commencement Exercises.

This year the Glee Club loses five members who are Seniors graduating. We feel this to be an extreme loss, and we know the Glee Club will suffer for a while next year in getting started; but we also know, from past experience, that there are always others to take their places. We feel sure that there are always others to take their places. We feel sure next year's Glee Club will produce some good results.

**Image40:** Student Council:

Third row: Henry Miranda, Ray Serna, Tommy Burluson, Bob Shook, Fred sweet, Maggie Silva.

Fourth row: Carl Shaw, Leon Farrar, Antonio Otero, Delbert Parnell, Godfrey Chavez, Mr. Burke, sponsor.

**Image42:** Student Council:

An innovation at Capitan High School this year was the formation of a student council representing the associated student body. Each of the six classes chose a boy and a girl to meet with Mr. Knudsen to draw up a constitution. Many interesting meetings were held, in which student council constitutions of other high schools were studied. Critical and analytical articles from leading educational magazines were presented by different members. Upon the competition of the constitution it was ratified by a large majority of the student body.

The elected officers owed their election in large part to the spirited rally carried on by their backers.

Some of the activities sponsored by the council includes: dancing during the noon hour, encouraging the purchase of defense stamps, greater participation and interest in softball, tennis, horseshoes, and other out-of-door sports.

The accomplishments have indeed been small; but the potentialities are commensurate with the ability and willingness of future students to share in the ability responsibility of making our school life more enjoyable by joint planning between students and faculty.

"C" Club:

The "C" Club was first organized in 1930 and it was decided that only boys who earned letters in athletics could be members. Each year al new letters in by the old members.

This club is for the betterment of athletics in Capitan Union High School.

One can be a member of the F. F. A. if he is taking Vocational Agriculture and can be an active member for two years after he has graduated. A boy can belong to the F. F. A. for five years.

The F. F. A. plans one state judging trip at Las Cruces and one state convention held in the Sandies\* in August.

Another good thing about the F. F. A. Club is that you can carry a summer project in the summer and make ½ of a credit. The records have to be checked by the advisor and the Superintendent of the school.

All boys that take the F. F. A. are required to learn how to carry on a meeting with the rules of parliamentary procedure in their first year of Vocational Agriculture and must memorize the F. F. A. Creed and Purpose.

This year the Club members went by bus to Tularosa on March 28. Alfreda Billingsley was elected to give a report of the Club at the meeting. Mona Jean Sweet took part in the panel discussion. During the football season we were unable to go on any trips, but we made two trips during basketball season; one to the Institute game and the other to the Roswell High game. After making those two trips we had enough money in the treasury from selling candy at games and at school, to donate ten dollars to the Red Cross.

Later on in the year we are making arrangements to entertain the "C" Club.

Girls Athletic Association:

Members of the G. A. A. are supposed to get 10 miles of hiking done during the school year. Every time we have club meeting they report how many miles they have hiked, or how much ironing, washing, bicycle riding, skating or horseback riding they have done. In every meeting we discuss any business that comes up, then play games. Each girl that gets 45 points for plying during the year gets a letter or some award.

At the beginning of the year we saw an eager group gather to make our Yearbook Club a big success this year. We had 24 members.

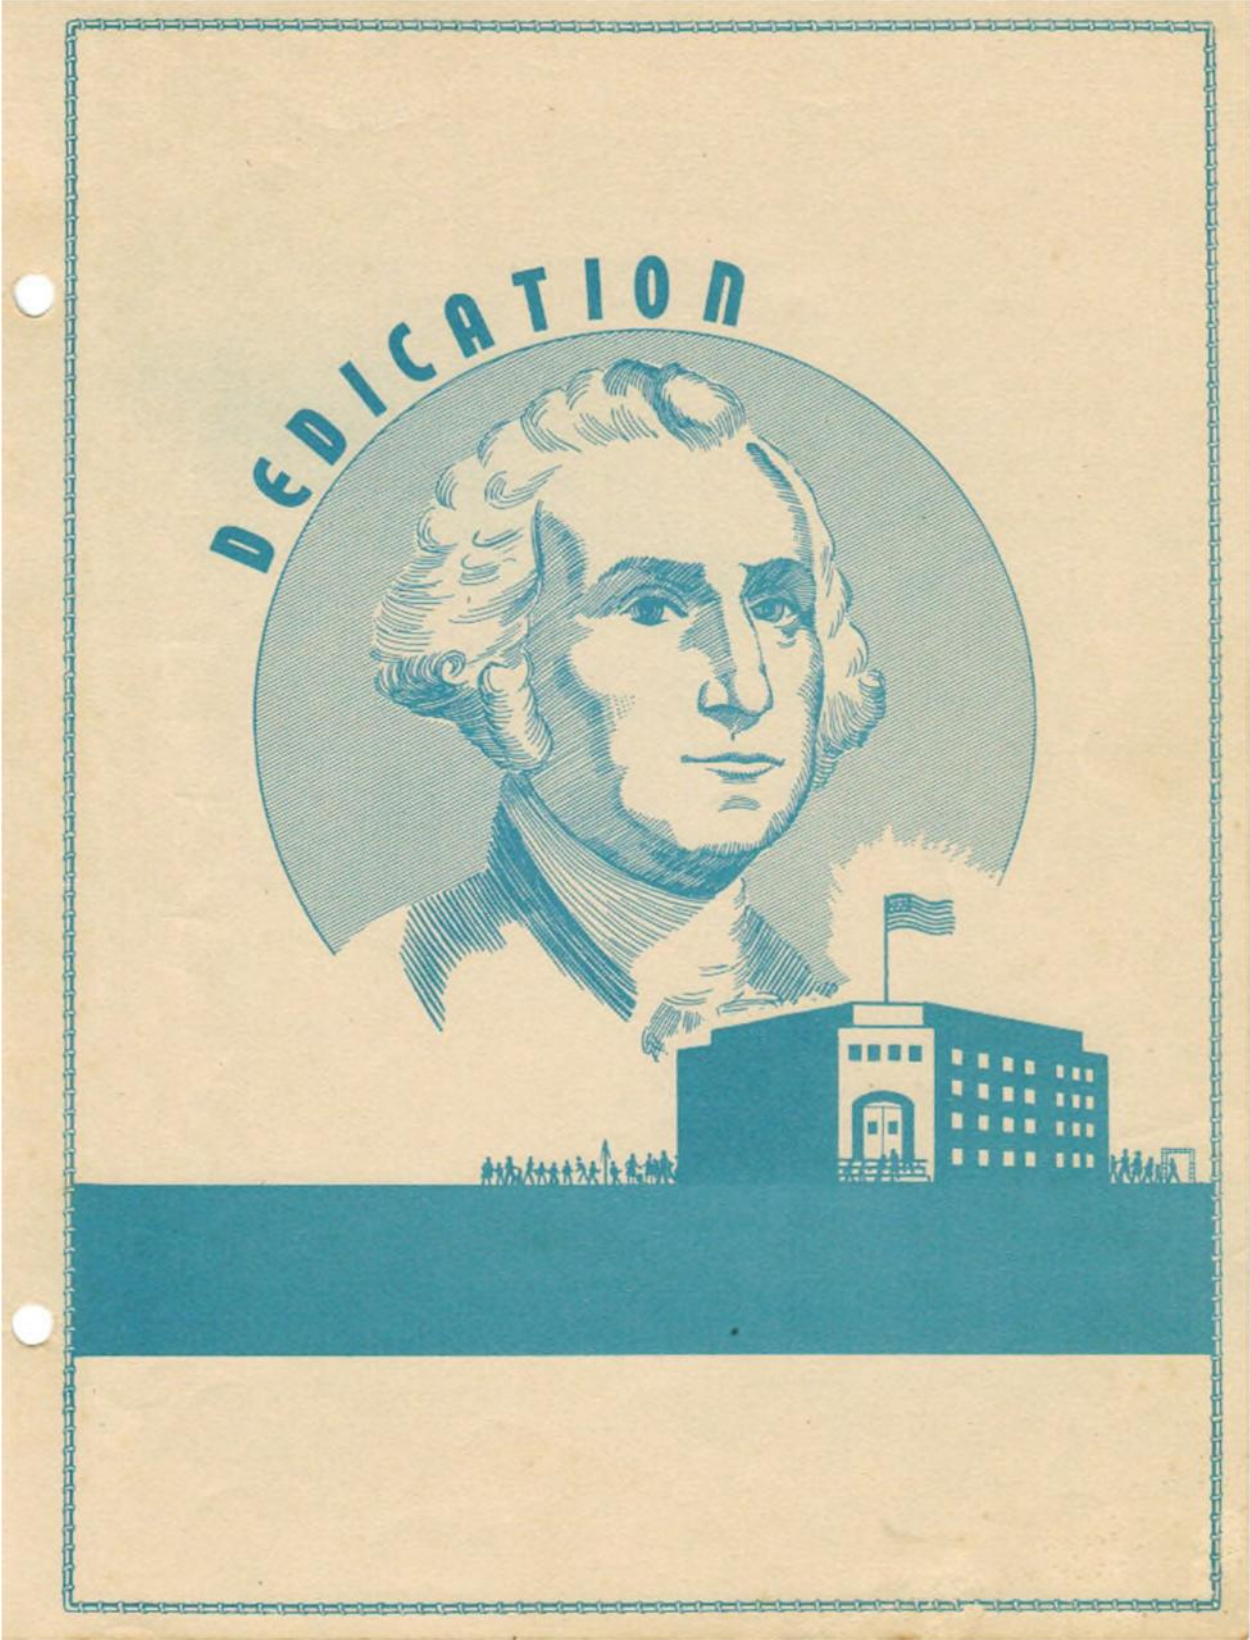

The following officers were elected:

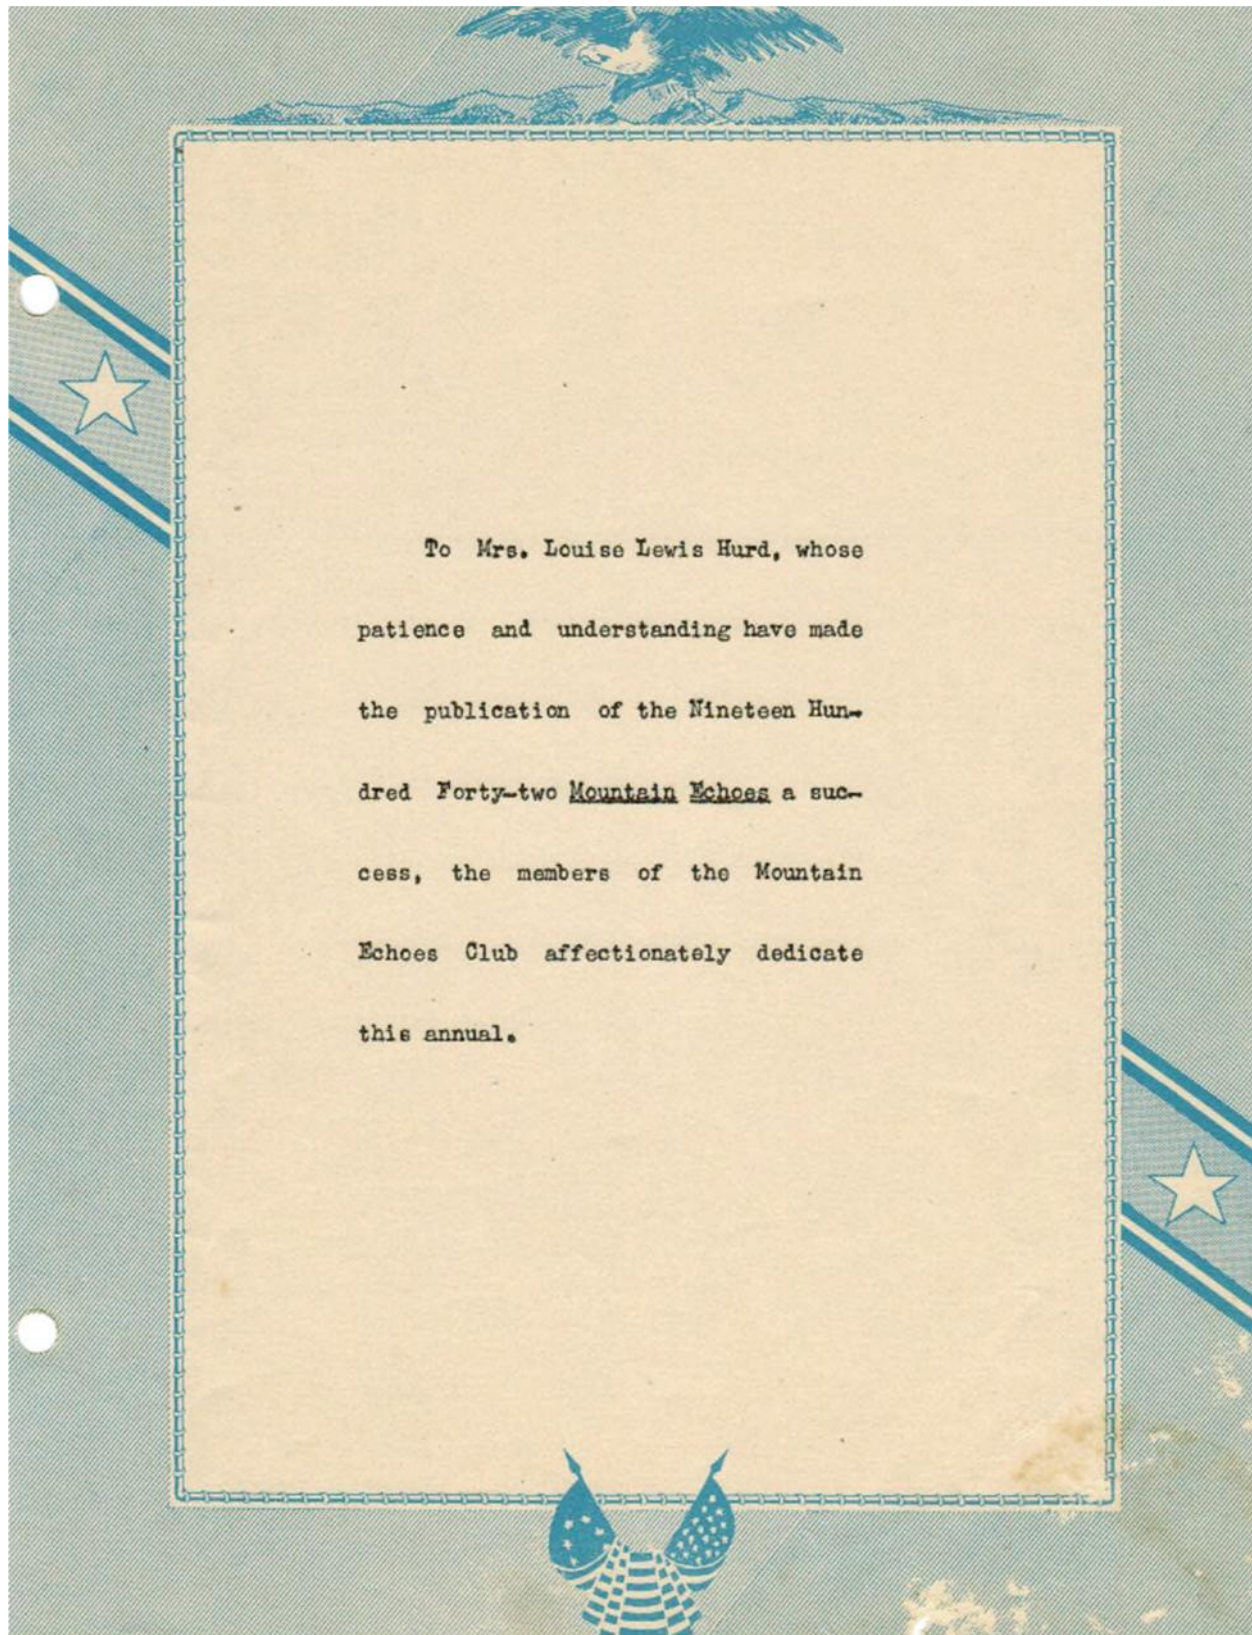

Mary Elizabeth Hall. . . . . President  
Reta Merle West. . . . . Vice President  
Mary Lou Luck. . . Secretary and Reporter  
Betty McClellan. . . . . Treasurer

Mrs. Louise Lewis Hurd was our very efficient and understanding sponsor.

On October the fifteenth we presented a one-act play, "The Village Photographer" and a box, pie, and candy supper to help in the raising of funds to help in the publishing of the books.

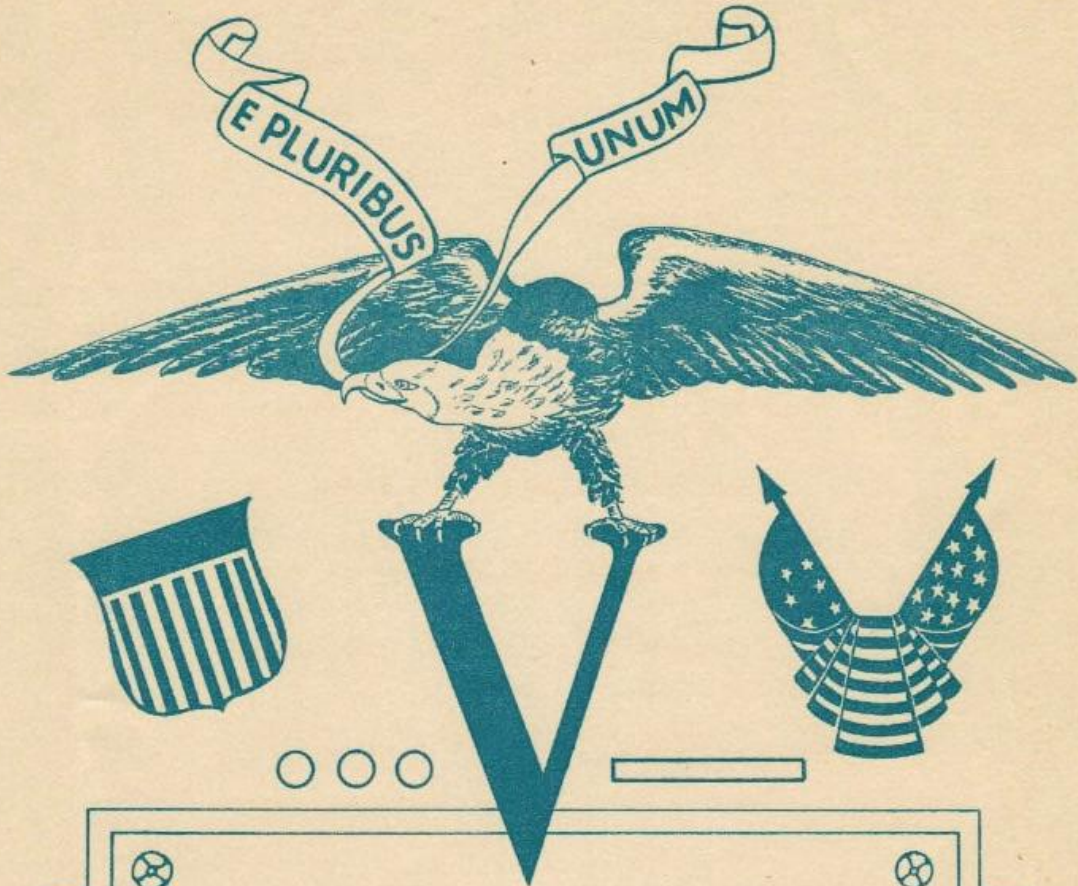

Some of the members made two trips to Roswell to sell advertisements, and in all we have been able to raise enough to have the pictures printed this year. We are very proud of this and hope that everyone else enjoys this improvement as much as we do.

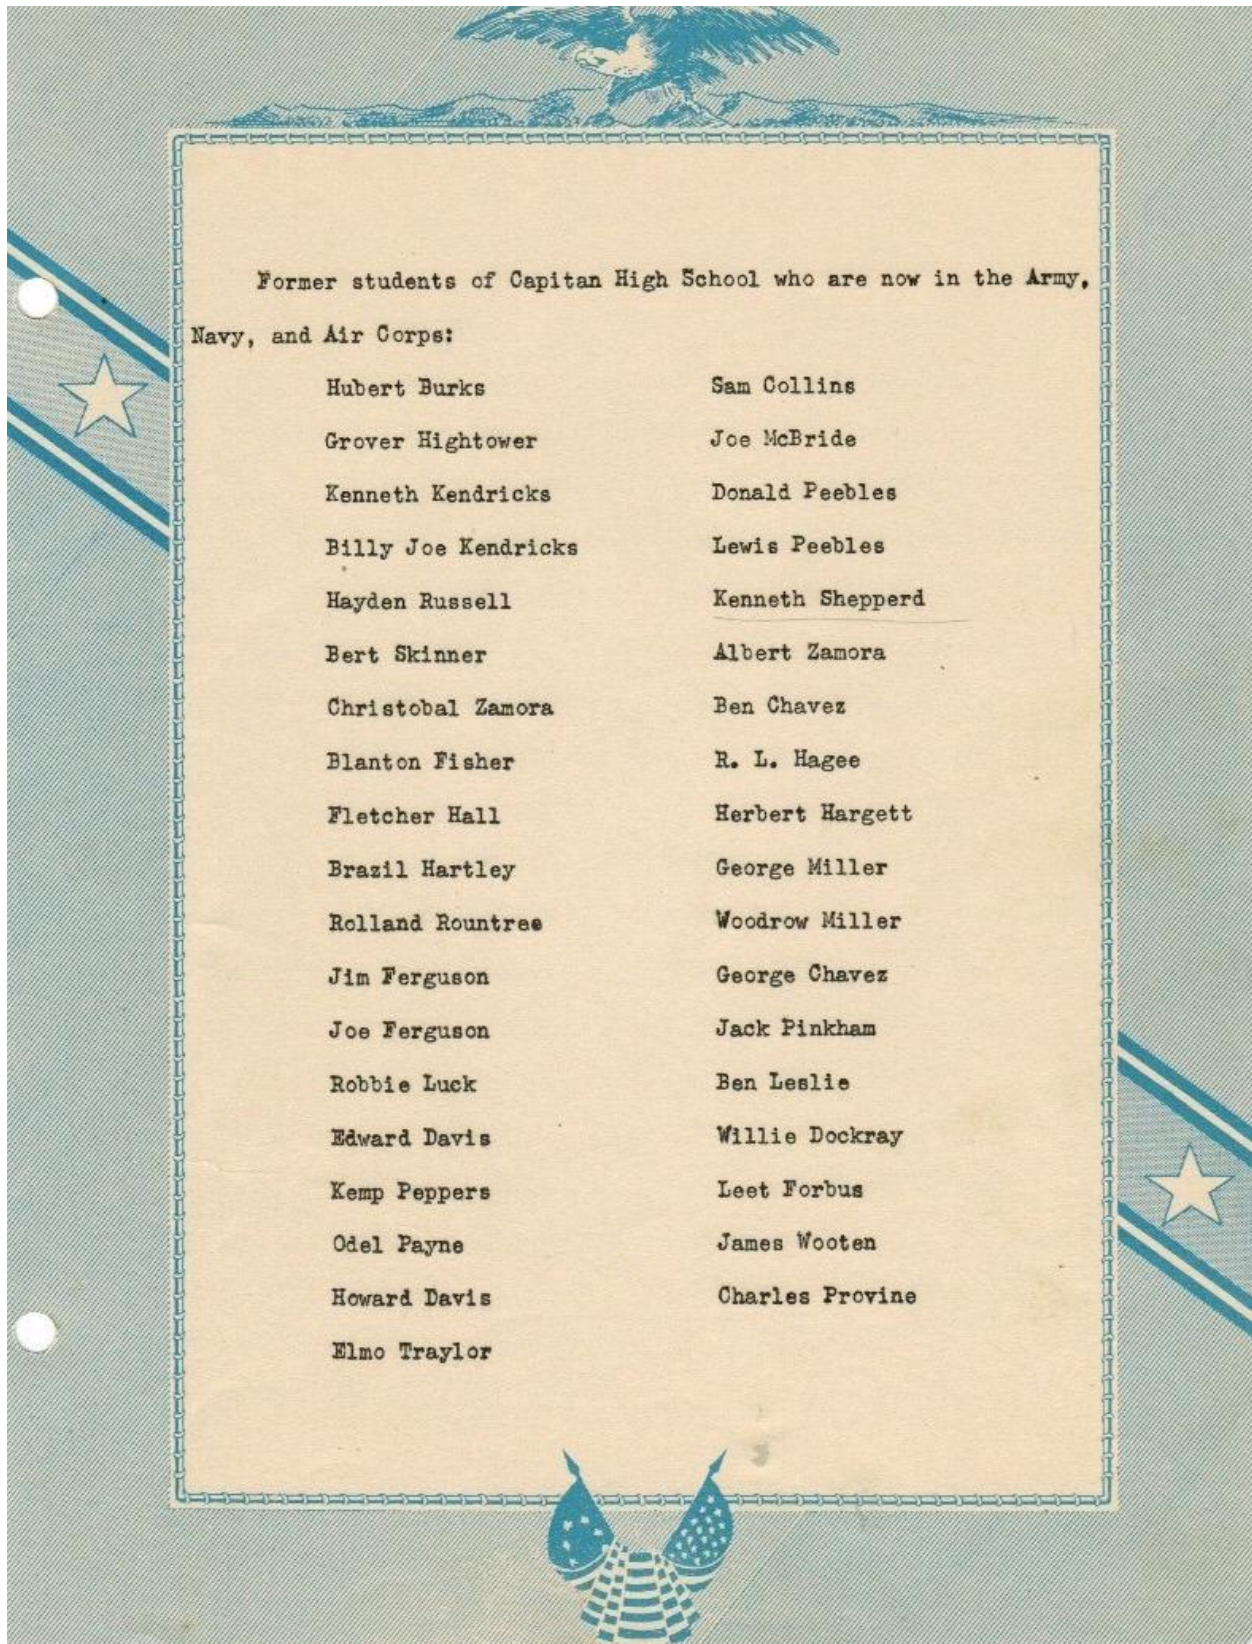

To Mrs. Louise Lewis Hurd, whose  
patience and understanding have made  
the publication of the Nineteen Hun-  
dred Forty-two Mountain Echoes a suc-  
cess, the members of the Mountain  
Echoes Club affectionately dedicate  
this annual.

SENIOR CLASS HISTORY

In September, 1938, forty Freshmen entered Capitan Union High School. Of course, we were all bashful and timid as all Freshmen are. We elected Miss Erickson and Mr. Barber as our sponsors. We went through Freshmen initiation as good little children, and had fun being poodle dogs for the upper classmen.

Then as Sophomores, there were thirty-seven. During this year we elected Mr. Barber and Miss Montgomery as our sponsors.

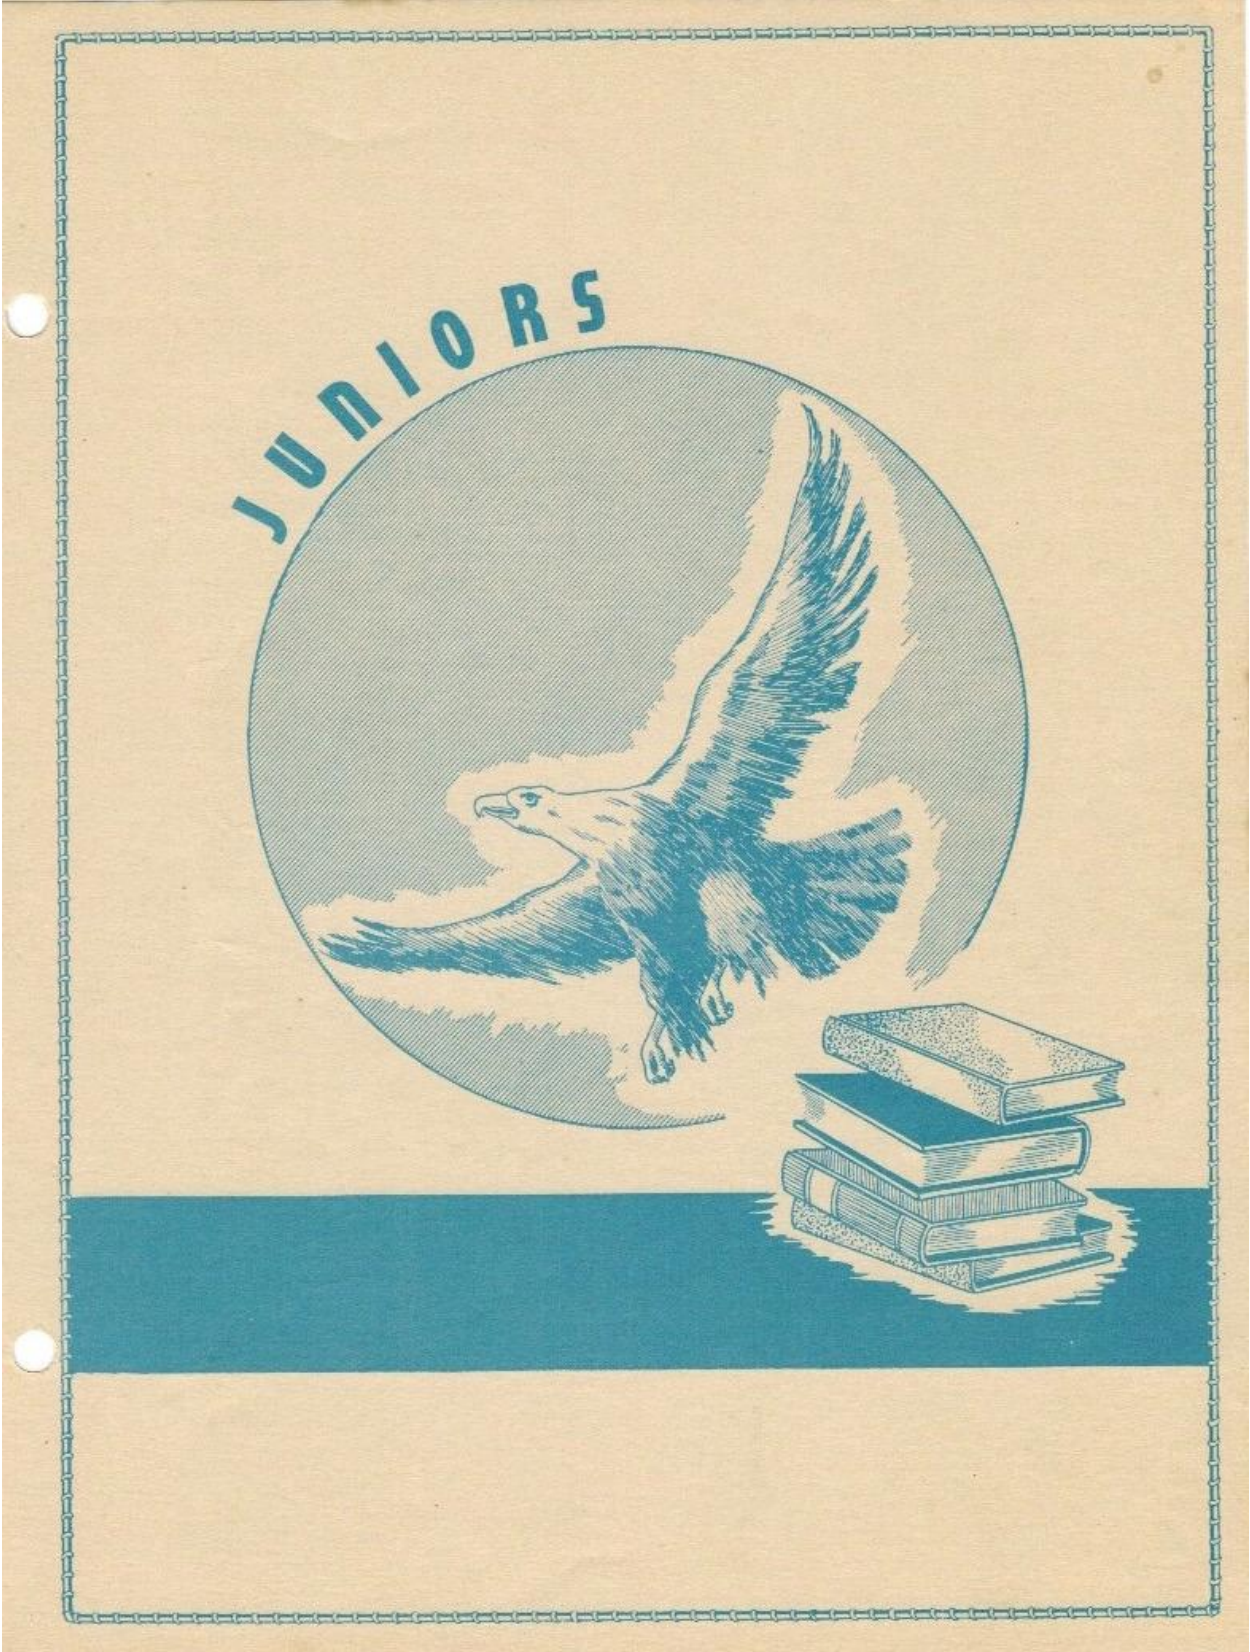

Ah! Juniors! A class of twenty-nine. Again Mr. Barber and Miss Montgomery were our sponsors. We presented An All American Family as our class play. The following made up the cast: Mary Lou Luck, Genevieve Hightower, Hubert Burkes, Bob Harcrow, Grover Hightower, Violet Triplett, Charlotte Rose, Betty McClellan, Fred Sweet, and Livorio Silva, sponsored by Miss Montgomery. Unfortunately on the night of dress rehearsal a little accident occurred. However, no one was seriously injured and we successfully presented the play. We gave the Seniors of 1941 a banquet and prom, in Spanish-American style.

Now, in our last year at Capitan High School, there are twenty-two graduates. Again we have Mr. Barber as our sponsor. We wish to thank Mr. Barber for his cooperation in the past four years, and we are proud to have kept him for our four years spent in Capitan High. This year Miss Chilson is our assistant sponsor, and we wish to give her credit for the wonderful work in producing the Senior play, The High School Mystery. The cast was as follows: Violet Triplett, Mary Lou Luck, Betty McClellan, Genevieve Hightower, Ida Salazar, Mary Elizabeth Hall, Lawrence Hefner, Lawrence Peebles, Bob Harcrow, Livorio Silva, Junior Perry and John Hale. The play, the greatest mystery that has ever been produced, was given on April 24.

On the night of May 26 we will bid farewell to the school we have loved and the memories of our "Capitan High School Days" will linger on forever.

JUNIORS

When we were just "green freshmen," we were having quite a time trying to find our way around, of course. There was fun "poked" at us. Whether we got pretty unhappy or not, no one will ever know. Freshman initiation is something we won't forget for quite some time. On the morning of October 9th, we painted the "C" up on Wilson Hill. We returned around eleven o'clock to present a very funny spectacle at assembly. At one o'clock we all returned to the high school to go down town and parade. We then returned to parade at the football game against Home.

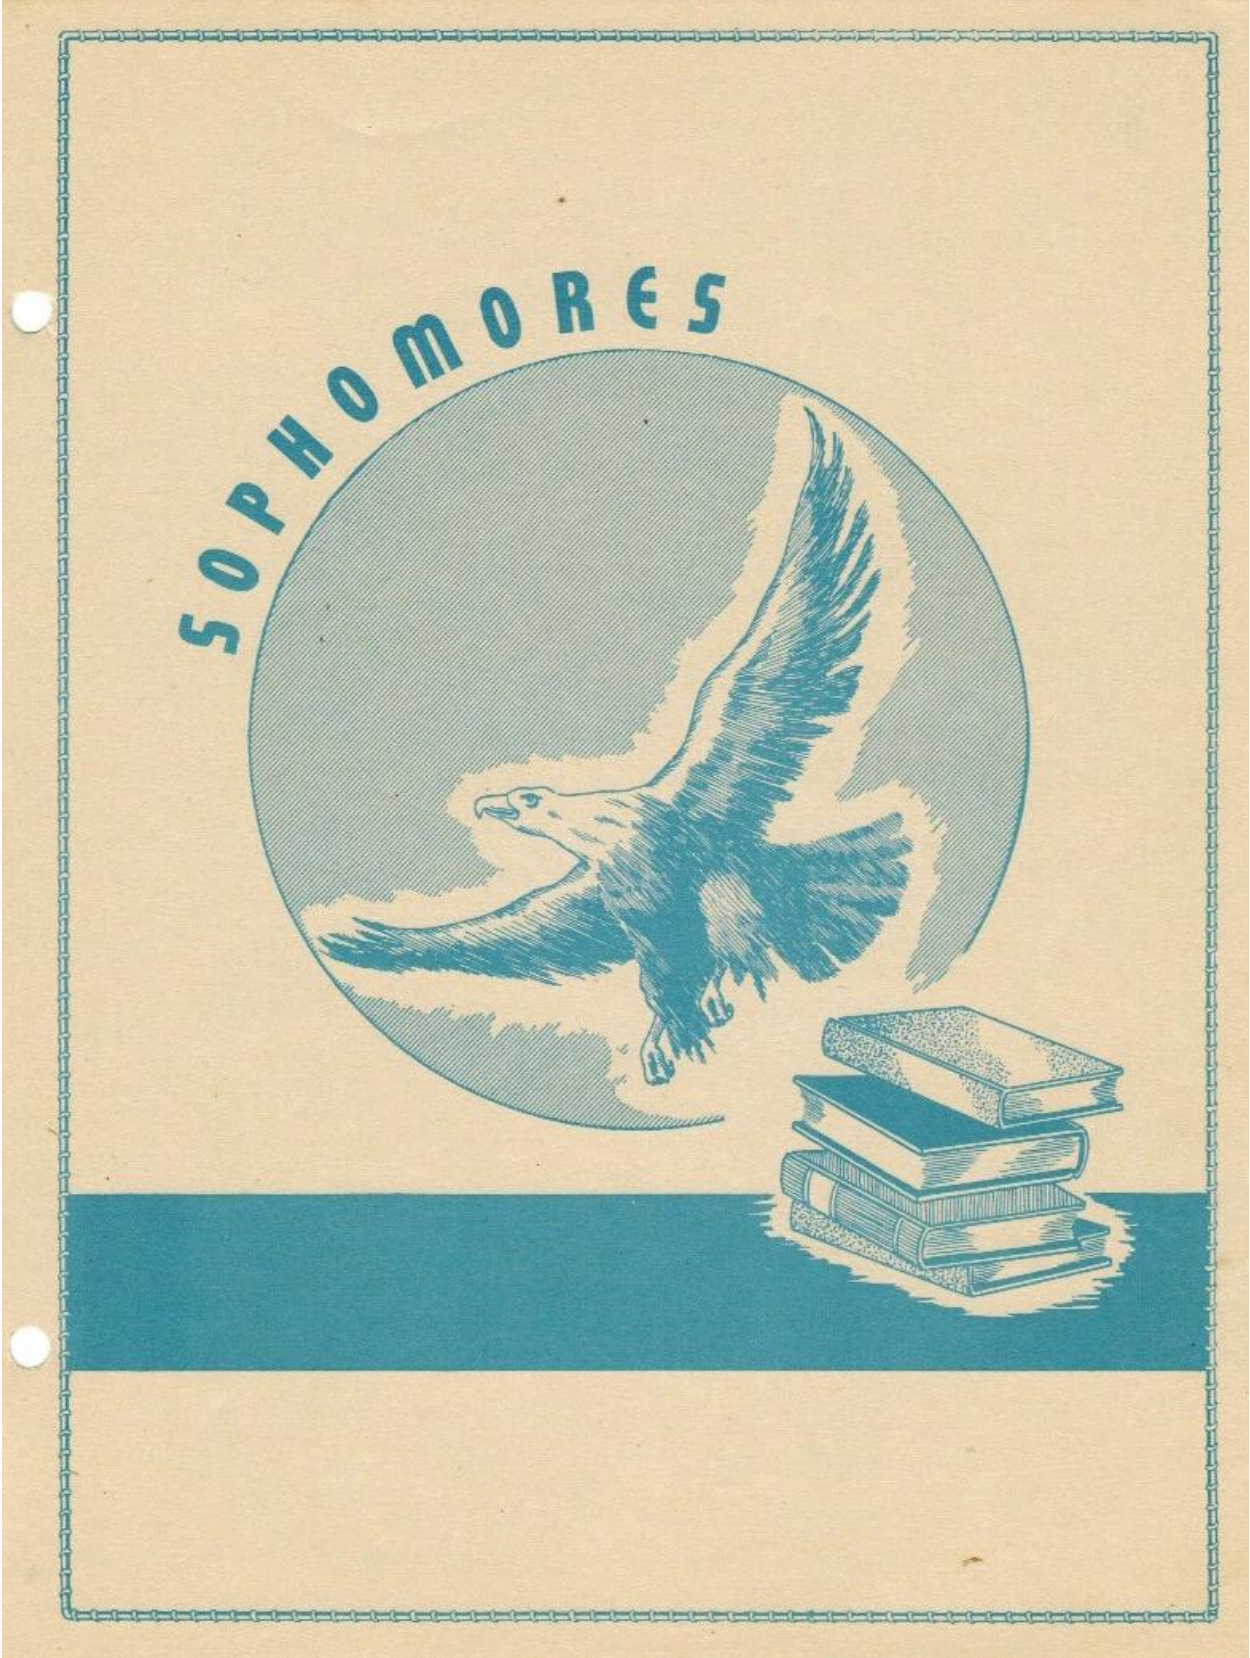

Therese Reynolds was elected Carnival Queen of 1939. We were very proud of her, you can be sure, but it seems that we lost interest or didn't have a candidate who could hold her own through the last two years.

We selected purple and gold for our class colors. We also selected a class motto.

After struggling for a year, we finally became Sophomores, much to our surprise. This year passed with the usual happenings while we took the back seat.

Well, finally here we are Juniors. We still have a funny class, but it is a smart one and most of the pupils are well liked. The Junior play was given December 6th. The name of the play was "Who Said Quit." The cast included: Tommy Burleson, Mary Frances Williams, Jerry Cummins, Zane Leslie, Jo Nell Blood, Reta Merle West, Cecilia Zamora, Ergeal Brown, Leon Farrar, and Vernon Steagall. The Junior-Senior Banquet was given May 8. We hope that everyone enjoyed the event as the Juniors did. Mr. Burke was elected as our class sponsor.

SOPHOMORE CLASS HISTORY

In September, 1940, there were forty-one freshmen started out together. This year the sophomore class started out with thirty-two members, but many have dropped out.

The new members of the class are Sue McMicken, Louise Kirby, Eunice Farrar, Billie Jean Jackson, Lowell Morgan and Max Lowry from Ruidoso; Mary Ellen Huckabay from Arizona; and Miquela Gomez from Hondo.

Our class sponsor is Miss Hooten. We have found her a very nice sponsor.

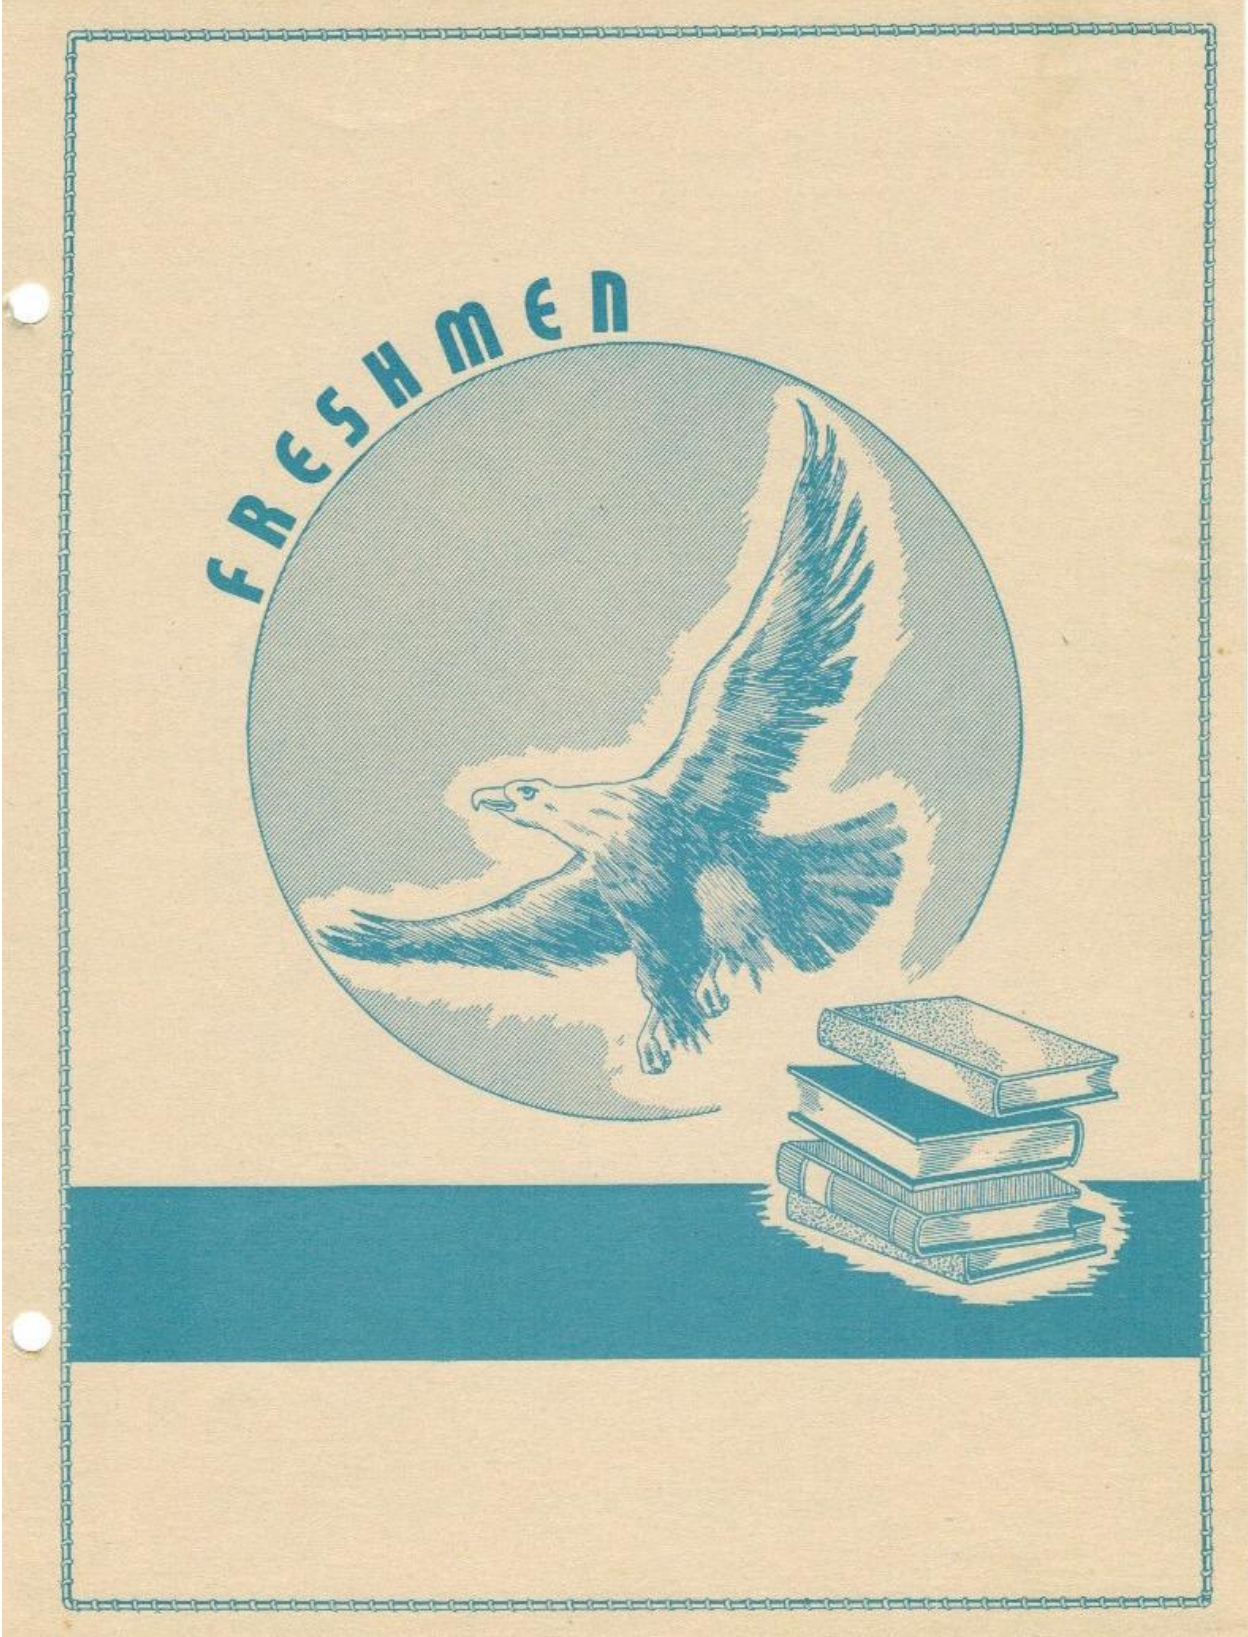

The officers of the class are:

- Lowell Morgan . . . . . President
- Eddy Provine . . . . . Vice-President
- Cornelia Cozzens . . . . . Secretary
- Coopie Dockray . . . . . Reporter
- Bobby Sears . . . . . } Student Council Members
- Dorothy Shaw . . . . . }

The Sophomores gave their assembly, March 11. We also sponsored an all-school social.

Some of the boys made their letters in football this year.

FRESHMEN

In September, 1941, forty-eight freshmen entered the portals of Capitan High School to struggle with a little higher education. Capitan Grade School, the greatest contributor, sent us nineteen; Lincoln did their part with eight; Ft. Stanton managed six; Stetson sent us five; Roswell, three; Encinosa, two; and Tularosa, Oscuro, Ruidoso, Hondo and Carrizozo one each. They didn't feel as if they really belonged here until after September 20 when they were initiated by the usual procedure of whitewashing the "C" on Wilson Hill, and performing in assembly.

Sometime during the course of the year seven freshmen left to continue their careers elsewhere, and now there is a total membership of 41 in the class.

Miss Wilkinson, Freshmen class sponsor, helped acquaint the class with their new surroundings, and assisted them throughout the year with their class activities.

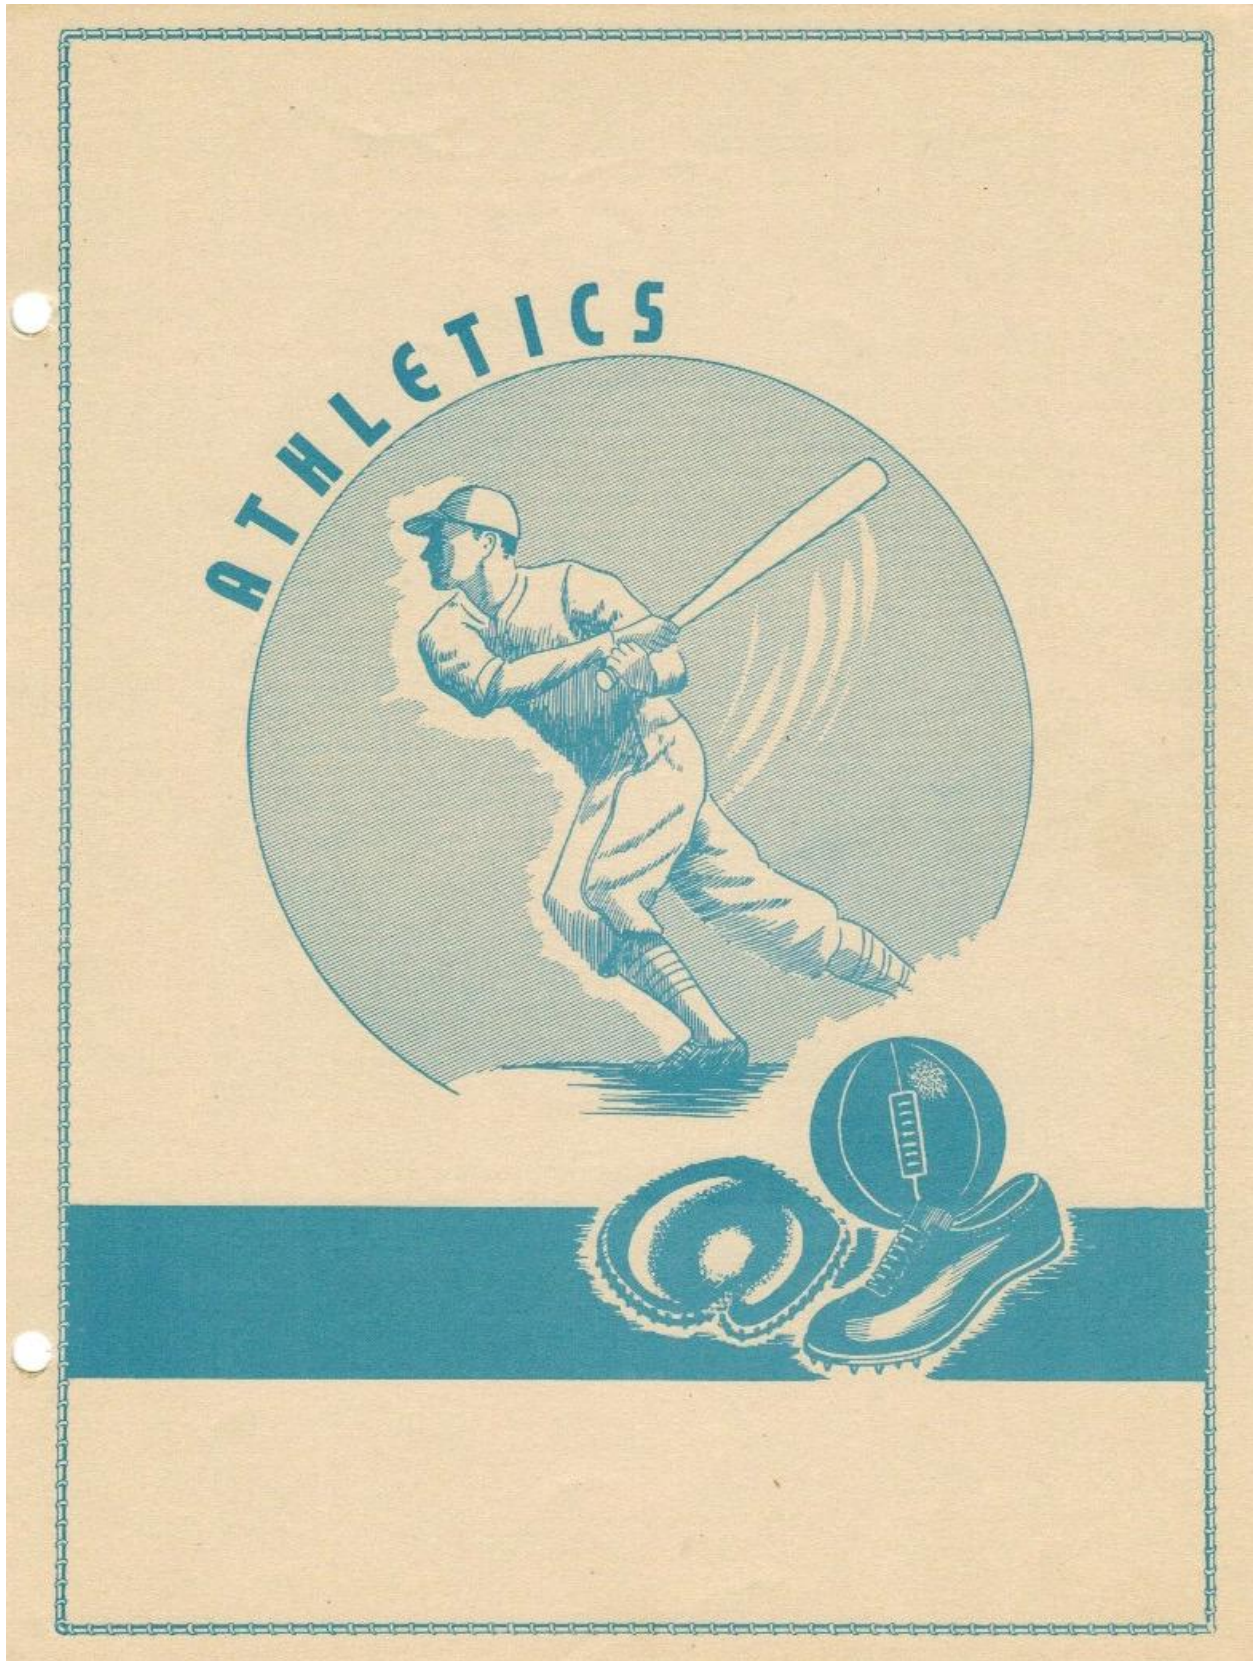

The class officers are as follows:

Maggie Silva . . . . .	President
Mona Jean Sweet . . . . .	Vice-President
Lucille Gehring . . . . .	Secretary-Treasurer
Antonio Otero . . . . .	Reporter
Joe Beltran )	Student Council Representatives
Joy Shook )	

The Freshmen gave one assembly this year consisting of two short one-act plays, in which they demonstrated their ability to entertain.

The Freshmen class of 1941-1942 shows signs of a very promising graduation class of 1946.

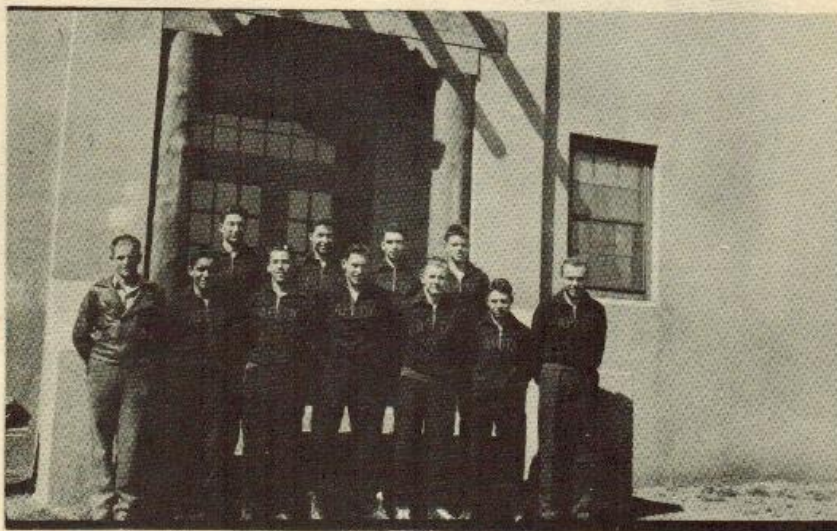

FOOTBALL

The football schedule for the fall of 1941:

Sept. 19	Hagerman	here	29	0
Sept. 27	N. M. M. I.	here	0	34
Oct. 4	Tularosa	there	6	13
Oct. 10	Ft. Sumner	there	0	38
Oct. 18	Albuquerque	there	6	12
Oct. 31	Corona	here	31	13
Nov. 17	Alamogordo	here	6	0
Nov. 14	Socorro	there	0	0
Nov. 20	Carrizozo	there	18	7

The season started with a bang, and about 40 boys out, with the Hagerman game which was an unlucky game for them. As the Tigers met the Colts they were kicked in the face. As they met Tularosa after all the floods the boys had had little practice and got stopped. At Fort Sumner they were met by young elephants. At Albuquerque the boys had to see the town that night and were pooped out when it came to playing ball. The Tigers were so sure they were going to get beat and came out with a big score. When the Tigers met Alamogordo they got a few breaks and out-plunged them. When they met Socorro they were all tired from the long ride up there and the Socorro boys held them to a nothing to nothing game.

When they had their "feud" game, they were too sure and got balled up and finally got lined out to leaving home the Bacon for the last game of the year.

The Basketball schedule for the year 1941-42 was as follows:

Capitan 15	Hondo	40
Capitan 20	Carrizozo	27
Capitan 34	Corona	31
Capitan 22	Carrizozo	13

Capitan 33	Lake Arthur	31
Capitan 43	Artesia	24
Capitan 33	I. Colts	27
Capitan 23	Alamogordo	12

The Tigers did fairly well this year in Basketball. They won 11 games and lost 4. Their coach, Mr. Burke, and the assistant coach, Mr. Jackson, did a good job in coaching the boys and urging them to do their best.

The Tigers did not get far in the tournament as Carlsbad put them out by one point in their second game.

ORCHESTRA

This being the first year that the Orchestra has had a full time instructor it has made very much progress. It now has 38 enthusiastic members.

The first appearance was made at the Junior play on December 9, 1941. The group performed at the Senior play on April 24, 1942. They also participated in several assemblies--one, a folk dance, in which several danced "Put Your Little Foot."

As their final appearance the Orchestra played the Processional, War March of the Priests, at the Commencement Exercises.

BAND

The Band was organized this year under the individual instruction of Charles Teghtmeyer.

During the year we have added instruments valuing \$1,000.

The Band played many times during the year, including: assemblies, basketball games, and pep rallies. The Band gave a concert in mid April as a climax to the year's activities. They presented instrumental solos, small groups, and the faculty quartette assisted the band by singing.

The Band also worked on elementary marching. Along with the Band we have four baton twirlers.

The Band had 29 members at the close of the school year.

GIRLS' GLEE CLUB

The High School Girls' Glee Club, under the direction of Mrs. Louise Hurd, has, during the year, presented one major performance, an Operetta, Bits O' Blarney. The Glee Club, in producing the operetta, was assisted by Mr. Williams, Mr. Teghtmeyer, Mr. Knudsen, and a group of boys from the high school. Mary Elizabeth Hall, Tommy Burleson, Fern Shaw, Seldon Burkes and Lawrence Hefner had the leading parts, and the operetta was proclaimed a success.

Most of our practice, which is one hour three days a week, is taken up with the study and rendition of good choral music for the purpose of enlarging our repertoire and for our own enjoyment.

Our last two public performances were at the Baccalaureate and Commencement Exercises.

This year the Glee Club loses five members who are Seniors graduating. We feel this to be an extreme loss, and we know the Glee Club will suffer for a while next year in getting started; but we also know, from past experience, that there are always others to take their places. We feel sure that next year's Glee Club will produce some good results.

STUDENT COUNCIL

An innovation at Capitan High School this year was the formulation of a student council representing the associated student body. Each of the six classes chose a boy and a girl to meet with Mr. Knudsen to draw up a constitution. Many interesting meetings were held, in which student council constitutions of other high schools were studied. Critical and analytical articles from leading educational magazines were presented by different members. Upon the completion of the constitution it was ratified by a large majority of the student body.

The elected officers owed their election in large part to the spirited rally carried on by their backers.

Some of the activities sponsored by the council includes: dancing during the noon hour, encouraging the purchase of defense stamps, greater participation and interest in softball, tennis, horseshoes, and other out-of-door sports.

The accomplishments have indeed been small; but the potentialities are commensurate with the ability and willingness of future students to share in the responsibility of making our school life more enjoyable by joint planning between students and faculty.

"C" CLUB

The "C" Club was first organized in 1930 and it was decided that only boys who had earned letters in athletics could be members.

Each year all new letter-men are initiated by the old members.

This club is for the betterment of athletics in Capitan Union High School.

F. F. A.

The Future Farmers of America was started in C. U. H. S. in 1937 and has been a very good club. The officers this year are:

Antonio Sanchez . . . . .	President
Filameno Griego . . . . .	Vice-President
Rayford Runnels . . . . .	Secretary
Livorio Silva . . . . .	Treasurer
Lawrence Hefner . . . . .	Reporter
Pete Skinner . . . . .	Watch Dog
George R. Barber . . . . .	Advisor

One can be a member of the F. F. A. if he is taking Vocational Agriculture and can be an active member for two years after he has graduated. A boy can belong to the F. F. A. for five years.

The F. F. A. plans one state judging trip at Las Cruces and one state convention held in the Sandies in August.

Another good thing about the F. F. A. Club is that you can carry a summer project in the summer and make  $\frac{1}{2}$  of a credit. The records have to be checked by the advisor and the Superintendent of the school.

All boys that take the F. F. A. are required to learn how to carry on a meeting with the rules of parliamentary procedure in their first year of Vocational Agriculture and must memorize the F. F. A. Creed and Purpose

### JUNIOR HOMEMAKING CLUB

There are 33 members in the Homemaking Club. The officers of the club are:

The last meeting before Christmas, the Club enjoyed a small party. The refreshments were pop corn, Christmas trees, and apples. On Feb. 13, the club girls looked forward to the District Club Meeting. This year the Club members went by bus to Tularosa on March 28. Alfreda Billingsley was elected to give a report of the Club at the meeting. Mona Jean Sweet took part in the panel discussion. The club put on a skit called The Cats Meow. They also plan to invite the District Homemaking Club to meet with them in Capitan, next year.

### PEP CLUB

This year the Pep Club did not have a restricted number of members as before. Seventh and Eighth grade girls were allowed to join.

The chosen uniforms were white blouses and corduroy slacks or skirts.

During football season we were unable to go on any trips, but we made two trips during basketball season; one to the Institute game and the other to the Roswell High game. After making these two trips we had enough money in the treasury from selling candy at games and at noon, to donate ten dollars to the Red Cross.

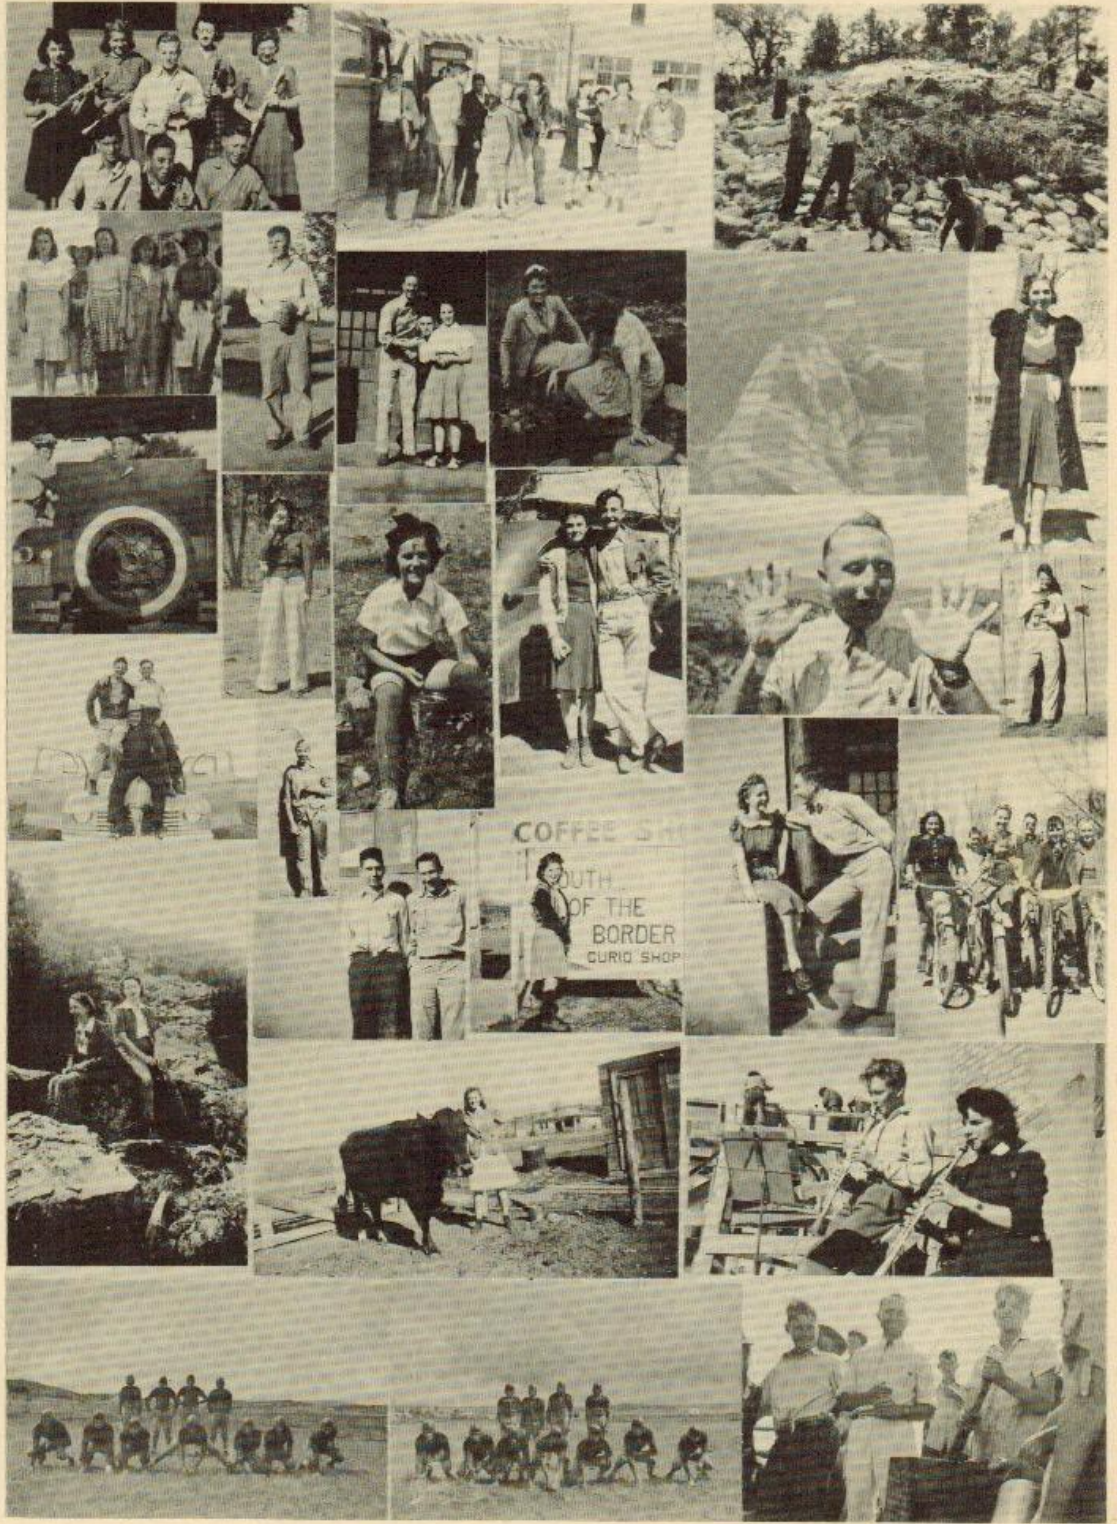

Later on in the year we are making arrangements to entertain the "C" Club.

### GIRLS ATHLETIC ASSOCIATION

Members of the G. A. A. are supposed to get 10 miles of hiking done during the school year. Every time we have club meeting they report how many miles they have hiked, or how much ironing, washing, bicycle riding, skating or horseback riding they have done. In every meeting we discuss any business that comes up, then play games. Each girl that gets 45 points for playing during the year gets a letter or some award.
